

The Evidence Guide

Designed to help you locate, assess and apply research evidence in practice.

Are you looking to make better use of evidence from research but aren't quite sure where to start?

1

Would you like to learn how to do focused online searches?

2

Would you like to better understand research and to appraise its quality and relevance?

3

Would you like to improve your organisation's capacity and capability to evaluate and act upon research findings?

4

Would you like to evaluate your practice and outcomes for users effectively?

5

Using research and evaluation in social care and allied professions

Barnardo's

GIVING CHILDREN BACK THEIR FUTURE

Who's it for?

Our pack is aimed at a wide range of staff from social care to welfare organisations both in voluntary and statutory settings.

What are the five modules?

Our five easy to use modules are aimed at developing the reader's use of research and evaluation. Each module contains a self directed learner's pack plus a trainer's pack which includes suggested programmes, learning outcomes, PowerPoint slides and activities.

Each module is designed to be used individually which makes following the course easy and manageable - you can purchase multiple or individual modules depending on your learning or training needs.

Module 1 Using Research Evidence in Practice: An introduction

Module 2 Locating Research Evidence in Five Steps

Module 3 Appraising and Reviewing Research Evidence

Module 4 Adapting and Applying Evidence: issues for individual practitioners and organisations

Module 5 Outcome-focused Evaluation

Learner's pack – Modules 1 - 4	£12 each
Group Activities & Trainer Notes Modules 1 - 4	£22 each
Learner's pack – Module 5	£15
Group Activities & Trainer Notes Module 5	£25
Full pack – each module x 1	£140
